

- **CONSUMER INFORMATION**

All schools are required to make available, at a minimum, the following disclosure information clearly and conspicuously on their 1) internet website, 2) school catalog, and 3) as an addendum to their Enrollment Agreement:

The number of students who were admitted in the program as of April 1 of that reporting period (**0** students).

The number of additional students who were admitted in the program during the next 12 months and classified in one of the following categories: new starts, re-enrollments, and transfers into the program from other programs at the school (**0** new starts).

The total number of students admitted in the program during the 12-month reporting period (**0** students).

The number of students enrolled in the program during the 12-month reporting period who: transferred out of the program and into another program at the school, completed or graduated from a program, withdrew from the school, and are still enrolled (**0** transferred out; **0** graduated; **0** withdrew; **0** still enrolled).

The number of students enrolled in the program who were: placed in their field of study, placed in a related field, placed out of the field, not available for placement due to personal reasons, and not employed **0**.

The number of students who took a State licensing exam or professional certification exam, if any, during the reporting period, as well as the number who passed (**0** that we have been aware of).

The number of graduates who obtained employment in the field who did not use the school's placement assistance during the reporting period (pending reasonable efforts to obtain this information from graduates) **0**.

The average starting salary for all school graduates employed during the reporting period (pending reasonable efforts to obtain this information from graduates). Not typically paid via salary. The average price for ombre/hybrid brows procedure is USD 300-600 depending on demographics.
